Looking for Collaborators

Starting on a date to be agreed upon

Gastrosky Sagl is a company dedicated to developing a web platform with a Swiss national focus, specifically targeting the restaurant and hospitality sectors. We are a startup with a clear and determined vision. Gastrosky provides a specialized audience with one of our platforms to post listings for the sale and rental of real estate and businesses in the gastronomy and hospitality industries.

1. We are looking for 1 / 2 people on an hourly contract basis

- 1 person who speaks and writes fluent and correct German and Italian
- 1 person who speaks and writes fluent and correct French and Italian

We would like to entrust these tasks to a person who:

- Possesses organizational skills, a sense of responsibility, and a collaborative spirit
- Is committed to maintaining good relationships with colleagues and is enthusiastic about being part of a successful team
- Is positive and confident when interacting with clients and properly highlights the value of the Gastrosky product
- Has a good knowledge of the Office suite or similar programs

2. Tasks

- Use the internal CRM system correctly
- Contact clients via email and/or phone to offer our services
- Communicate effectively with colleagues

3. What we offer

- Home office
- Initial training
- A minimum of 10 hours per week
- Work hours between 09:00-12:00 / 14:30-17:30
- Hourly pay with productivity bonuses

Applying is easy!

Please send your complete application, including your CV, via email to **info@gastrosky.swiss.**
