Privacy Policy

We are pleased that you have visited our website and hope this platform provides you with the information you seek. The administrators of these pages are committed to ensuring optimal protection of your personal data. We handle your personal information confidentially and in compliance with legal data protection regulations and this privacy policy.

1. Legal Information

1.1. Copyright

The content of this website is subject to copyright. Copies or excerpts of such materials may only be made with prior written permission. This applies to both images and text.

1.2. Liability for Links

While the links to other websites have been carefully checked, we cannot assume any responsibility for their content. The respective provider or operator of the linked sites is always responsible for their content.

1.3. Disclaimer

The author assumes no responsibility for the correctness, accuracy, timeliness, reliability, or completeness of the information provided.

Claims for damages arising from the use of the information provided, including incomplete or incorrect information, will therefore be rejected.

All offers are subject to change. The author expressly reserves the right to modify, supplement, or delete parts of the pages or the entire offering without prior notice, or to temporarily or permanently discontinue publication.

2. Data Protection Notice

We place great importance on your privacy and the protection of your personal data. We are committed to handling the processing and use of your personal data responsibly. This website can generally be visited without registration. We do not collect any personal data from users when they visit this website.

2.1. The Data You Provide to Us

Personal data is collected only if it is provided by you through our contact forms, user registration, or other data submissions via forms.
This data will be used exclusively for managing offers, presenting new opportunities, sharing updates, and responding to your inquiries.

2.2. Automatically Processed Data

info@GastroSky.swiss | www.GastroSky.swiss

When accessing this website, general information is automatically collected. This information is recorded in the server's log file and includes the type of web browser, the operating system used, the domain name of your internet service provider, your IP address, and similar details. This information is stored on the server in an aggregated manner for statistical purposes and is not directly linked to your identity.

2.3. Storage Period

Data is deleted as soon as it is no longer needed for the purpose for which it was collected. For data used to provide the website, this typically occurs at the end of the respective session.

2.4. How We Protect Your Data

This website uses SSL encryption for security purposes and to protect the transmission of confidential content, such as inquiries sent to us. An encrypted connection can be identified by the lock symbol and the "https://" prefix in the address bar of your browser.

If SSL encryption is activated, the data you transmit to us cannot be read by third parties.

2.5. Server Log Files

The provider of these pages automatically collects and stores the following information in the so-called server log files, which your browser automatically transmits to us:

- IP address
- Browser type and version
- Operating system used
- Referrer URL
- Hostname of the accessing computer
- Time of the server request

This data cannot be directly linked to specific individuals. It is not combined with other data sources. We reserve the right to review this data retrospectively if we become aware of concrete indications of illegal activity.

These and all other data on this website are stored by our hosting provider, Glitched Polygons.

2.6. Contact Form

If you send us inquiries via the contact form, the data you provide in the request form, including your contact details, will be stored by us for the purpose of processing your request and for any follow-up questions. We will not share this data without your consent.

2.7. Newsletter

If you wish to receive the newsletter offered on the website, we require your email address and information that allows us to verify that you are the owner of the provided email address and that you consent to receiving the newsletter. No additional data will be collected. We use this data exclusively for sending the requested information and do not share it with third parties.

After giving consent to receive the newsletter, you can revoke this consent at any time, for example, by using the "unsubscribe link" included in every newsletter.

2.8. Registration on Our Website

info@GastroSky.swiss | www.GastroSky.swiss

You can register on our website to access additional features. The mandatory information required during registration must be provided in full; otherwise, the registration will be declined. The personal data collected is used exclusively for the purpose of providing the service or offer for which you have registered. Additionally, we use your email address to inform you about important changes, such as updates to the offer or technically necessary modifications.

The personal data collected during registration will be retained for as long as you remain registered on our website and will be deleted thereafter.

2.9. Advertisements

Registered users can post advertisements. We do not assume any responsibility for the content published by our users. It is not possible for us to review all contributions for legality and compliance with these general terms and conditions. If a contribution violates your rights, please inform us immediately.

2.10. Paid Services

The contracting parties agree to pay the fee for paid services in a timely manner. The fee will correspond to the price indicated at the time of contract conclusion, plus the applicable value-added tax (VAT) as required by law. The fee must be paid by the customer promptly after invoicing. The customer may dispute the invoice amount within 2 weeks. In the event of payment delays, we reserve the right to suspend our services at any time without notice. Additionally, we may assign third parties to collect the outstanding amounts or transfer the claims to third parties, in all cases at the customer's expense.

2.11. Third-Party Services

Google (various services such as Maps, reCAPTCHA, YouTube, etc.)

This website may use Google Maps to embed maps, Google Invisible reCAPTCHA for protection against bots and spam, and YouTube and Vimeo to embed videos.

These Google services use cookies, which allow an analysis of how the website is used. The information generated by the cookies about your use of this website, including your IP address, is transmitted to a Google server in the United States and stored there. However, within the European Union and the Member States of the European Economic Area, your IP address is first shortened by Google and thus anonymized (IP anonymization).

Google will use this information to evaluate your use of the website, compile reports on website activity for us, and provide other services related to website activity and internet usage. Google will not associate your IP address with any other data held by Google.

You can refuse the use of cookies by selecting the appropriate settings in your browser. However, please note that doing so may result in some functionalities of this website being unavailable.

2.12. Social plugin

This website may contain plugins from various social networks. These plugins allow you to share content with your friends and networks. When you visit a page containing one of these plugins, your browser establishes a direct connection with the servers of the respective social network.

The content of the plugin is transmitted directly from the social network to your browser and integrated into the website. This process enables the social network to know that you have visited this

website. If you are logged into the social network, your visit may be linked to your account. If you interact with the plugins, such as by clicking “Like” or leaving a comment, the corresponding information is transmitted directly from your browser to the social network and stored there.

For more information about the purpose and scope of data collection, as well as its subsequent processing and use by social networks, along with your rights and the settings options to protect your privacy, please refer to the privacy policies of the respective social networks.

2.13.Changes to the Privacy Policy

We reserve the right to make changes to this privacy policy. The most recent version is always available on our website.

2.14.Questions About Privacy

If you have any questions about privacy, please do not hesitate to contact us using the contact details provided.
Our data protection contact person is Mr. Boris Bezzola.
